

Stands up to wind, rain and the IRS.

A metal roof not only guards your home against the elements, it now affords you protection come April 15th. Thanks to new regulations, homeowners who purchase metal roofs can earn a special tax credit. That's in addition to the sizable savings on insurance premiums in many areas. What's more, a metal roof promotes energy savings and can even increase your property value. No wonder we call it Investment Grade Roofing. Visit MetalRoofing.com and learn how metal roofing will save you money. Built to endure for decades, metal roofs keep you warm and cozy—long after the feeling of sticking it to a certain government agency wears off.
