## **BORAL ROOFING NAMES HUGH LAURIE VICE PRESIDENT OF FINANCE AND WELCOMES HARVEY SHELTON AS VICE PRESIDENT OF OPERATIONS**

*Industry veterans to leverage their deep expertise to help guide Boral Roofing during its continued growth*

**IRVINE, CALIF. (May 8, 2019)** – [Boral Roofing LLC](#), the national leader in durable and sustainable new and retrofit roofing systems, is pleased to announce the promotion of Hugh Laurie to vice president of finance and the addition of Harvey “Harv” Shelton as vice president of operations. Laurie has been employed with Boral Roofing Australia for almost a decade and Shelton brings almost three decades in the building manufacturing industry to his new role.

“We are thrilled to announce the well-deserved promotion of Hugh Laurie to vice president of finance and to welcome Harvey Shelton to the Boral Roofing family as vice president of operations,” said Darren Shulz, president of Boral Roofing. “Hugh’s experience with Boral invaluablely spans all the company’s businesses in Australia and the U.S. as well as throughout southeast Asia. Harvey’s vast experience in the building products industry will help us optimize competitiveness through existing and new channels.”

As vice president of finance, Hugh Laurie is responsible for the strategy and execution of Boral Roofing’s finance operations, focusing on generating value-added and insights-driven reporting to drive growth and operational efficiencies. “I look forward to continuing the strong relationships the finance team has with the sales, operations and support functions of the business,” said Laurie.

Harvey Shelton, an accomplished executive in the building products and manufacturing industries, will work to optimize all operations and expand the company’s safety culture. “Safety is something we need to accomplish before we do anything else,” said Shelton. “I am also committed to connecting the dots between customer needs and manufacturing capability to position the business for growth now and in the future.”

Laurie resides in Orange County, California and is based in Boral Roofing’s Irvine headquarters. He obtained his Bachelor of Commerce with a major in Accounting and Management from The Australian National University.

Shelton resides in the Charlotte, North Carolina area and is based in Boral Roofing’s Charlotte offices. He obtained his Civil Engineering Degree from Rice University and his MBA from William & Mary – Raymond A. Mason School of Business.

### **About Boral Roofing**

Boral Roofing LLC is a subsidiary of Boral USA and is the country's largest premium provider of complete roofing and re-roofing solutions for architects as well as commercial and residential builders. Boral Roofing operates manufacturing plants throughout the U.S.

### **About Boral North America**

Headquartered in Roswell, Georgia, Boral North America is a leader in key construction materials and building products markets with operations across the USA, Canada, and Mexico. In 2017 Boral acquired Headwaters Incorporated, expanding Boral's product offering and manufacturing and distribution footprint across North America. In construction materials, Boral has a national footprint and industry-leading position in the processing and distribution of fly ash – a by-product of coal combustion.

In building products, Boral manufactures and supplies cladding, roof tiles, windows, and other light building products for residential and commercial markets nationally. Boral's manufactured stone veneer includes leading brands Cultured Stone® by Boral®, Boral Versetta Stone®, Eldorado Stone®, Dutch Quality®, and StoneCraft®. Boral's light building products portfolio includes Boral TruExterior® Siding & Trim – a pioneer of the innovative poly-ash category of exterior building products – as well as shutters, gable vents, mounting blocks, and tool systems. In roofing, Boral is a leading manufacturer of clay and concrete roof tiles, and also produces composite polymer and stone-coated metal roof tiles.

Boral also has a 50% share of the Meridian Brick joint venture, a leading clay and concrete brick manufacturer which was formed with Forterra Brick in 2016.
